

SLINGSHOT

2022 Slingshot North Coast Cabernet Sauvignon

TASTING NOTES

The 2022 vintage produced a full and fruit forward Cabernet Sauvignon featuring characters of strawberry, mixed berry pie, and bright cherry on the nose. The palate leads to flavors of cherry cola, strawberry jam, and soft vanilla framed by a fine, structured tannin profile. The palate finishes with a subtle touch of French oak and an elegant balance between tannin, acidity, and body.
